

# PARKER CARE

**HOME HEALTH CARE**

## Personalized health care at home.

There's a very special home health care program you should know about, developed by the nationally acclaimed Parker Jewish Institute for Health Care and Rehabilitation.

PARKER delivers a full spectrum of personalized medical, nursing & rehabilitation services, and provides daily support that enables patients to feel better and live better in their own homes.

We call it *PARKERCARE*. Helping people get well, maintain their independence and enjoy their family and friends.

- Assessment by a community nurse
- Individualized treatment plans
- Physical & occupational therapy
- Speech therapy & audiologic testing
- Medical supplies & equipment
- 24-hour telephone availability
- Social work counseling
- Home health aids, personal care workers
- Nutritional planning
- Homemakers & housekeepers

*Call to find out how we can help.*

**718-289-2700**

**516-586-1500**

*Adding  
quality time  
to life.*
