WHY BE BOUND IN "CHAINS"

No More Waiting!

WAITING HOURS FOR YOUR PRESCRIPTIONS?

Ask yourself: Is it worth waiting 3 hours in a chain store for your prescription when we can fill it in 10 minutes at **BONUS DRUGS**? It doesn't cost you any more—same co-pay, same insurance pay. So why pay to wait and wait and wait? Imagine the same prescription, but instead of a nameless, faceless bureaucrat of a chain store that changes every time you visit, you'll receive the personalized service you've grown to expect at **BONUS DRUGS**. We've been serving the community for over 35 years and our prices are extremely competitive. If you don't have insurance, rest assured that we are not only competitive but we meet or beat any chain's prices. And with 2 huge shipments of merchandise daily, you never have to wait for a delivery or your merchandise of choice. We do it all and always with a smile, because we are truly happy to see you in our store. So release yourself from the shackles of the chain stores. Instead, come to us for courteous, professional service...as a bonus every time at **BONUS DRUGS & SURGICALS**.
