Once again, we are pleased to have instructors from Cornell University's Cooperative Extension program presenting the following topics:

- **APRIL 25th:**
CONCRETE & MASONRY:
Learn how to maintain and repair the masonry portions of buildings, brickwork, stucco, sidewalks and steps.
- **MAY 2nd:**
FLOORS:
Choice and selection of materials, installation, repair and care of the different types of flooring available today.
- **MAY 9th:**
CERAMIC TILE:
Lecture and demonstration on the installation and repair of ceramic tiles.
- **MAY 16th:**
LANDSCAPING & GARDENING:
Learn everything you've ever wanted to know about residential landscaping, including shrubbery and lawns. Also, learn how to care for annual flowers and vegetables.
