

Congratulations!

Anthony Parisi

The Parisi Bakery legend lives on. Anthony Parisi, the founder of Parisi Bakery established circa 1968, is retiring in April but the name and the quality he started will continue.

From a modest, humble background on 14 Street where the original bakery started, Parisi grew to become Astoria's Favorite Bakery.

Anthony has spent his life creating the best products for his favorite people...his customers!

***Thank you for all the years –
Family and Friends***
