

# Crystal Windows Offers Free Energy Saving Upgrades

The entire family of Crystal vinyl window products, including the Series 200 fully welded replacement windows shown here, are available with optional Low-E glass and Argon gas filled insulated glass units free of charge through March 2007.

Crystal Window & Door Systems, an award-winning national manufacturer, recently announced a special promotional offering for the New York/New Jersey area. For new orders placed this winter through March 31, 2007, Crystal offers optional Low-E glass and Argon gas-filled insulated glass units free of charge on its entire family of vinyl replacement and new construction window products.

Selecting Low-E glass and Argon gas-filled insulated glass units can offer homeowner significant savings on energy bills, according to studies. Furthermore, use of Low-E glass and Argon gas-filled insulated glass units on select Crystal vinyl windows will upgrade them to Energy Star certification and qualify homeowners for money-saving federal tax credits.

The special promotion is available to both existing and new Crystal real estate and construction trade customers. Some restrictions apply to this limited time offer, so speak with a Crystal sales representative for further details or contact Jim Bogeatjes, Crystal sales manager, at 800-472-9988, ext. 3109. Home improvement contractors and builders can also visit Crystal's convenient sales showrooms, located at 31-10 Whitestone Expwy., Flushing and 64-02 11th Ave., Brooklyn.

Crystal sells only to trade professionals, but interested private homeowners are encouraged to call Crystal's Installer Referral Hotline (800-472-9988, ext 6) or

visit the company Web site, [www.crystal-windows.com](http://www.crystal-windows.com), for more information about local qualified window installation firms and the Crystal product line.

Crystal Window & Door Systems is one of the top 65 manufacturers of replacement and new construction vinyl and aluminum window and door products and high-end fenestration systems in North America. Crystal offers a full product line, rapid order-to-delivery times, quality workmanship, innovative product features and outstanding value.
