* Annual Percentage Yields (APY) are accurate as of 04/16/07 and are subject to change without prior notice. A minimum of \$2,500 is required to open a CD or savings account. APY assumes principal and interest remain on deposit for the full term of the CDs. Early withdrawal penalties may apply for CDs. A minimum daily balance of \$2,500 must be maintained in the savings account in order to obtain the promotional rate, which is guaranteed for three months. After the three-month introductory period, the savings account will earn interest based on account balance and the prevailing rate offered by Doral Bank. Fees may reduce earnings. Promotional rates are for accounts with new money only. Limited time only. Member FDIC
