From the Desk of Joseph Pistilli...

On behalf of Pistilli Realty Group, I am genuinely pleased to congratulate the successful efforts of Tony Barsamian and his staff as the Gazette serving Astoria and Western Queens celebrates 25 years of rolling off the presses. The paper has become the primary source of information affecting our community, whether the news stems locally, nationally or abroad. With its reports on current events, the paper inspires our community because of the time and care invested in how the news impacts us locally. We are grateful for this invaluable resource.

It is with great pride and appreciation that I wish you the continued success you deserve. Thank you again for caring about our community.

Sincerely,

Joseph Pistilli
