

The one thing we'll never test is your patience.

Full-service medical laboratories

All major insurance plans accepted, including Oxford, United, and Aetna

State-of-the-art facilities • Faster service

When you need a laboratory test, nothing is more frustrating than using a facility that doesn't accept your insurance, doesn't perform the test you need, or doesn't have convenient hours.

We operate differently. We're here for you (not the other way around). Through our patient service centers conveniently located throughout Long Island and Queens we perform the full range of tests, from the simplest to the most specialized. Everything we do is supervised by our renowned leadership staff. What's more, we're the largest health system-integrated lab in the New York area-which means you have access to the same medical resources our hospitals use.

The North Shore-LIJ Laboratories. The tests you need. The flexibility you want. The standard you expect.

*Ask your physician about us or visit one of our patient centers. To find a location near you,
call 516.719.1100 or visit northshorelij.com/labs.*

Locations: Lake Success • Great Neck • Bay Shore • Bethpage • Huntington • Glen Cove • Bayside
