

The Pistilli Realty Group

We would like to extend to all our friends, tenants, clients and to the entire community of Queens
*Best Wishes and a
Happy and Healthy Thanksgiving*
We are all one community
celebrating and giving
thanks together.

Pistilli Realty Group

As the developers and builders of Pistilli Riverview Apartments (the former Eagle Electric Plant on 21st Street in Astoria) and the former Stern's Warehouse on Ditmars Blvd., we are proud to help make Queens a better place to live and work. Forging a bond between renovation and modern state-of-the-art convenience, the two buildings will be at the forefront of residential and commercial development in Western Queens. Call for more information.
