...AND SHE SHOULD BE!

HELP CAROLYN MALONEY AND THE DEMOCRATS KEEP CONGRESS!

In order for me to continue to fight for New York in the U.S. House of Representatives, I need your help. As the chair of the Subcommittee on Financial Institutions and Consumer Credit, I was able to secure passage of my Credit Cardholders' Bill of Rights only because we have a Democratic majority in the House. We need to elect more Members of Congress who will support a sensible and effective foreign policy, sound fiscal practices, strong environmental protections, civil and reproductive rights, and equality and tolerance for all Americans. I am raising and contributing more than \$250,000.00 to the Democratic Congressional Campaign Committee to help strengthen our Democratic House majority in 2008. Your support would go a long way towards helping me to reach this goal, and to helping me elect other legislators who will support progressive and sound public policies. If you could take a few seconds and send a contribution to the address below, it would make a real difference. Any amount that you might be able to contribute would be deeply appreciated.

Paid for by Maloney for Congress, Clifton H.W. Maloney, Treasurer

Sincerely,
CAROLYN B. MALONEY
