

## Olde Time Prices At Cavalier Restaurant One More Time

The Cavalier Restaurant, 85-19 37th Ave., Jackson Heights, brought back prices from 1950 last week.

Now, due to overwhelming crowds who came to enjoy great food at great prices, the owners decided to roll back prices again, just in time for Election Week, November 3 to November 7, noon until closing.

Rollback prices are not valid for private parties and credit cards will not be accepted due to the low, low prices you will enjoy in addition to an appetizer, soup of the day, entree and dessert.

For more information call 718-458-7474—and don't forget your quarters for the "juke box".
